

SCHEDULE OF GROUP OF EIGHT APPROVED FOUNDATION PROGRAMS

Foundation programs listed in this schedule are recognised by each of the Group of Eight (Go8) member universities for the **matriculation of students into relevant university programs**, though each university will determine the academic grades that must be achieved to enter particular programs. In addition to achieving the required academic grades and meeting English language requirements, students may need to meet further requirements (such as subject prerequisites) for entry to some programs.

For a foundation program to be listed in the schedule of Go8 Approved Foundation Programs, the foundation program must:

A. be taught by

- i. a Go8 member university, or
- ii. a fully owned entity of a Go8 member university, or
- iii. a third-party provider with a formal quality assured service level agreement with a Go8 member university.

and

B. be an entry pathway into relevant university programs at the Go8 member university.
